THE
Leading Journal
OF
THE SOUTH

THE PUBLISHERS OF
THE CHARLESTON DAILY NEWS
Beg respectfully to return their thanks to the public for its liberal support to their Journal, and promise that in the future, as in the past, it shall be their aim to make

THE DAILY NEWS
THE
MOST DESIRABLE PAPER
in the country. It has now
THE LARGEST CIRCULATION
of any Newspaper issued in the State, and is
THE LARGEST IN SIZE
of any Paper published in the State—issued in folio form of eight pages, and the size of the New York Herald.
It is universally conceded that
THE CHARLESTON DAILY NEWS
IS THE
MOST ENTERPRISING,
INDEPENDENT,
AND THE
BEST COMMERCIAL NEWSPAPER
published in the South. It is

A SOUTHERN PAPER,
WITH
SOUTHERN PRINCIPLES.
A TRI-WEEKLY.
Many of our friends have spoken and written to us concerning the publication of a Tri-Weekly. We have thought of doing this for some time, but owing to the general disarrangement of postal affairs, we have concluded not to do so until the commencement of next season.
On the first of September we will commence to publish a country edition of THE NEWS, and it shall be our aim to make the paper the best ever issued in this State. We intend introducing entirely new features in this enterprise; it will not be a summary of the daily, but will be complete and original in itself, and we are certain that its patrons will be as well pleased with it as are our present patrons pleased with the daily.

THE ONLY RECOGNIZED DEMOCRATIC
NEWSPAPER PUBLISHED

TO THE PUBLIC.

THE NEW YORK NEWS HAS BATTLED AGAINST despotism for four years of blood and terror, in assertion of the sanctity of the Constitution. A patriot sufficiently broad to embrace both sections has been its only guide, and it refers now with honest pride to its record to show that it has not turned to the right or the left under all the violence of arbitrary power.
True to its principles as THE NEWS has been through the reign of terror, it challenges public confidence in a honesty and independence for the future.
The political transition of the present day opens to THE NEWS a new and wider field of usefulness. Standing now as it always has, on the inviolability of the Constitution, according to the interpretation of the strict constructionists, it presents a rallying ground for all, both sections, who are friends of a generous conservatism. As a true and tried exponent of sectional unity, it occupies a position which makes it the fitting media to hold in holding up to the party of order in both sections, interests and principles that gave breadth and vitality to their alliance. As an intersectional agent, devoted to freedom of election, to trial by jury, to the sanctity of the habeas corpus, and opposed now, as for four years of terror it has been, to the centralization that dares to trample on the rights of States, North or South, THE NEWS places itself as a candidate for support before a great body of this once free people.
The circumstances of the moment make the dissemination of the principles of THE NEWS a duty of individual patriotism. Every man who concurs in its doctrine must, if he entertain a true sense of freedom, do so in no spirit of indifference, but rather with the earnestness of a high trust. Justified, nay bound, in his love of liberty to do so, the proprietor places his canvass here makes here of the public generally in the hands of those men who give him the approval of their consciences as his individual agents. Every reader of THE NEWS can not avoid the conviction of duty which is here pointed out as the ground of the request, that he urges its claims for a wider support upon all his friends and neighbors who give their earnest sympathies to the cause of "strict construction," intersectional conciliation, and all the rights of the citizens under the system, set up by our fathers, of liberty regulated by law. The proprietor of THE NEWS calls, therefore, upon good and true Conservatives throughout the country to discharge to their convictions of political right at this great crisis in the country's fortunes, the duty of giving to the influence of his paper, daily, semi-weekly, or weekly, the wider power for good which it seeks here through the service of its individual supporters.

THE NEW YORK NEWS
These two Journals are made up with special reference to the wants of country subscribers, and contain such a variety of matter as to render them welcome to every family in the land. In the matter of LITERATURE, the choicest stories of the best writers are spread forth in their columns; and more excellent literary matter is furnished in one issue than can be had in many of the exclusively literary journals of the day. THE GENERAL NEWS is admirably selected and condensed, so as to give all the current intelligence in as readable a form as it can be placed. It comprises news from every part of the country, and is always the latest. THE COMMERCIAL INTELLIGENCE is carefully prepared, and includes reliable MARKET REPORTS from all points, which are not excelled by any journal in the country.
Send the names of all Friends of CONSTITUTIONAL LIBERTY, and we will send them SPECIMEN COPIES FREE.
